OIL AND GAS LAND REVIEW

The Oil and Gas Land Review is a fast-paced, intensive study of the topics covered by the CPL and RPL certification exams. Lectures will be interactive and enhanced with problem-solving sessions. It is highly acclaimed as a thorough land review and an excellent means of preparation for the CPL and RPL exams. This class covers the following topics: real property law and land descriptions, contract law, conveyancing, interest calculations, oil and gas lease, ethics, pooling, joint operating agreement, well trades, federal leases and units, environmental, offshore, mineral landwork and federal taxes on oil and gas income.

Accredited for 19 continuing education credits, including 1 ethics.

Register at landman.org.

CERTIFICATION OPPORTUNITY

This seminar covers material included on the RPL and CPL exams, and testing opportunities are available. See schedule on next page for testing times.

Please note that your certification application must be approved before you may register for the CPL or RPL exam.
